8U Minors Division Softball

Grades: 1st & 2nd of current school year **Tryout:** No **Travel:** Limited

The Minor League 8U division is an entry level organized instructional softball. Games are played against the neighboring towns of Stow, Bolton and Maynard. Coaches pitch in this league and are allowed on the field to interact. Four to six innings are played per game and time limited. Games are once or twice per week. Additional practices and/or make-up games are occasionally required.

10U Minors Division Softball

Grades: 3rd & 4th of current school year **Tryout:** No **Travel:** Limited

The Minor League 10U division is a more advanced skill division yet still entry level. Games are played against the neighboring towns of Stow, Bolton, Harvard, Groton, Littleton and Maynard. Players pitch in this league. Coaches have some limited on field interaction. Practice once a week and six inning games twice per week. Additional practices and/or make-up games are occasionally required. Safe/Soft Softballs are used.

12U Majors Division Softball

Grades: 5th & 6th of current school year **Tryout:** No **Travel:** Limited

The Major League 12U Division is for higher skill level players. This is a more competitive Division than the 10U Minor League. Games are played against the towns of Bolton, Stow, Maynard, Harvard, Groton, and Littleton. Players pitch in this division and coaches have no on field interaction. There is one practice per week with six inning games one to two times per week. Additional practices and/or make-up games should be expected. **Hard balls are used.**
